I misyac meni rozpoviv - What the moon told me.

ab 4 Jahren

In At night, when our son seems to just want to jump up and down in bed, we tell him stories about how all the people he knows are asleep at this very moment. We talk about where they sleep, what they did that day and what they dream about. In this story, we wanted to take a broader look at what the moon would tell us about how children from all over the world, living in very different conditions, go to bed tonight. - Authors. Julia Gwilym has just won the illustrations for this book at The Golden Pinwheel International Competition for Young Illustrators in Shanghai. The original edition was published in South Korea by Who's Got My Tail.

The Little Wooden Robot and the Log Princess, Tom Gauld –
ab 4 Jahren

In this fresh new fairy tale, a wooden robot embarks on a quest to find his missing sister-- making for a memorable contemporary bedtime story in acclaimed graphic novelist Tom Gauld's first picture book for children. For years, the king and queen have tried desperately to have a baby. Their wish was granted twice, when an engineer and a witch gave them a little wooden robot and an enchanted log princess. But there's just one catch: every night when the log princess sleeps, she transforms back into an ordinary log, and can only be woken up with magic words. The princess and her robot brother are inseparable, until the sleeping princess, mistaken for lumber, is accidentally carted off to parts unknown. Now it's up to her devoted brother to find her, and get them safely back home. They need to take turns to get each other home, and on the way, they face a host of adventures involving the Queen of Mushrooms, a magic pudding, a baby in a rosebush, and an old lady in a bottle.

Timothy Snyder: On Tyranny - Про тиранію
ab 12 Jahren

"A graphic edition of historian Timothy Snyder's bestselling book of lessons for surviving and resisting America's arc toward authoritarianism, featuring the visual storytelling talents of renowned illustrator Nora Krug
Timothy Snyder's New York Times bestseller On Tyranny uses the darkest moments in twentieth-century history, from Nazism to Communism, to teach twenty lessons on resisting modern-day authoritarianism. Among the twenty include a warning to be aware of how symbols used today could affect tomorrow ("4: Take responsibility for the face of the world"), an urgent reminder to research everything for yourself and to the fullest extent ("11: Investigate"), a point to use personalized and individualized speech rather than clichéd phrases for the sake of mass appeal ("9: Be kind to our language"), and more."
